San Francisco, Aug. 24.-Jack Johnson heavyweight champion of the world, and Al Kaufman of San Francisco, were matched tonight to fight ten rounds at Coffroth's arena in this city on Sept. 9.
The men will fight at catch weights, and if they are both on their feet at the end of the tenth round no decision will be

Smith of Oakland. Nothing was made public about the division of the purse. The match between the negro champion and the Californian, made by Charles Coffroth, was somewhat unexpected. It followed Coffroth's failure to sign up Philadelphia Jack O'Brien and Kaufman for a ten-round bout on that date. Coffroth hunted up Johnson and succeeded in getting him to take O'Brien's place.

"Limit, Eddie Smith, before accepting the position of referee, said that if he believed from their actions that the men were stalling at any time during the ten rounds he would disqualify them and declare it no fight. It was with this understanding that the articles were signed. Johnson is doing little training at Emeryville, across the bay from San Fran-

some time in September.

Taken all in all, it looks as if Jack will have plenty of "sparring partners" for his "training" for Ketchel, if these two bouts go through.

Johnson says he will start training in a day or two at Cockrell's camp in Oakland.
